Sub: Agreement of Memorandum of Understanding (MoU) for Inter-Library Loan (ILL)

Dear Sir,

With reference to the subject cited above this is to kindly let you know that our college proposed to establish Memorandum of Understanding (MoU) for inter library loan with your college library.

Our college library has variety of reading material for its user in various forms such as books competitive exam material, journal, CDs, E-books, E-reports, E-clippings, Audio-Video files and software's etc. we know that no academic institution can purchase all reading material and fulfill its user's information needs at their own level; Inter- library loan is a useful service whereby a user of one library can borrow books or receive photocopies of documents that are owned by another library. Now a day it is being essential for every institute/library to share their reading material with each other.

By applying some terms and conditions we can establish MoU between our colleges and being Inter- library loan for our library users. Hence, you are kindly requested to accept our proposal for the same. Kindly go through MoU agreement, Please send back one copy of agreement with your signature as your acceptance.

Thank you

Enclosure: As mentioned above
